Project Name	Electric Vehicle Market Analysis Using Tableau
Maximum Marks	1 Mark

Team Involvement in Demonstration

This document describes the roles and responsibilities involved in demonstrating the Electric Vehicle Market Analysis Using Tableau project. The demonstration covers the project objectives, dataset, interactive dashboards, visualizations, and key findings. Each section is presented in a structured manner to explain how Tableau helps analyze electric vehicle sales, manufacturers, vehicle categories, battery technologies, charging efficiency, and environmental impact.

1. Team Member Participation

Since you are presenting this project individually, you can fill the first row and leave the remaining rows blank or mark them N/A.

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation
1	Harsh Tomar	Project Presenter and Analyst	Introduction, dashboard demonstration, findings, and conclusion	Developed the Tableau visualizations, analyzed EV market data, and explained the insights obtained from the dashboards.	Active
2	N/A	N/A	N/A	Individual project; no additional member.	N/A
3	N/A	N/A	N/A	Individual project; no additional member.	N/A
4	N/A	N/A	N/A	Individual project; no additional member.	N/A
5	N/A	N/A	N/A	Individual project; no additional member.	N/A
6	N/A	N/A	N/A	Individual project; no additional member.	N/A

2. Team Coordination Notes

Aspect	Details
Team Leader / Coordinator	Harsh Tomar
Overall Team Coordination Rating (1–5)	5
Any issues during demo	Potential challenges include dashboard loading, displaying visualizations clearly, or explaining complex charts.
How issues were resolved	Checked the Tableau workbook before the demonstration, organized the presentation flow, and reviewed the visualizations and their key insights.
